The Hawkeyes defeated San Jose state, 5-2, Sunday at Dyche Stadium in Evanston, Ill., in the first round of the Northwestern regional tournament. Jowa faces the host Wildcats today at 1 o.m. for the regional title, with the winner advancing to the Final Four in Springfield, Mass.

The Spartans dominated the first 15 minutes of the game and had four penalty corners during that time. But good defensive play by the Hawkeyes kept San Jose State from scoring, Iowa Coach Judith Davidson said.

"I WAS VERY concerned about the first 15 minutes," Davidson said. "The team started out very tentatively, but and Liz Tchou slapped a fourth ball

they loosened up after they scored the first goal."

Marcia Pankratz got the Hawkeyes on the board first at 26 minutes, 29 seconds with an assist by Deb Brickey and added a second goal before halftime at 33:55 with an assist by RosAnna Salcido, giving Iowa a 2-0 lead at the half.

The Hawkeyes came out quickly in the second half. Mary Koboldt knocked the ball in the goal at 5:45 with an assist by Salcido.

Pankratz added a third goal at 11:27

past the Spartan goalkeeper at 12:01.

Iowa had a 5-0 lead before the Spartans got on the scoreboard at 19:21. Jeannie Gilbert tallied San Jose State's first goal and Allison McCargo added a second goal for the Spartans at 25:18.

THE HAWKEYES TOOK eight shots on goal in the first half and 11 in the second half. San Jose State had three shots in the first half and seven in the second half. Iowa had eight penalty corners in the game and the Spartans had 10.

Davidson attributed the Hawkeyes' win to good passing in the game. "We wanted long, down-field passing and it worked."

The Iowa coach also used freshman goalie Karen Napolitano in the game instead of Joan Behrends, Iowa's starting goalie for the last two years.

Napolitano had one save in the first half and three in the second half. The two balls that got past Napolitano were good goals, Davidson said.

"She's ready and she's quick. Napolitano has the making of a very good collegiate goalkeeper," Davidson said. "It (the win) was good for her to establish confidence. It was very important for Karen to have contact on the ball without any pressure."

Napolitano will start at goalie for the Hawkeyes today against

Northwestern. Today's game will be the third meeting this season between the two teams. Northwestern won the first game this season, 2-1, in Evanston, and the two teams tied 2-2 in double overtime two weeks ago in Iowa City.

"We're going to pick up where we left off in the overtime game," the Iowa coach said. "We need to keep the pressure on and go at them."

Key play seen in different ways

By Melissa Rapoport

Even though the Iowa Hawkeyes ere down 14-3 at halftime, they weren't out of Saturday's game against Michigan State until 44 seconds before the final gun sounded.

With under two minutes to go and lowa seven points behind, the Hawkeyes were in a fourth-and-11 situation. Quarterback Chuck Long, who was not playing at full strength with a bruised knee and didn't play at all the first half, threw an incomplete pass intended for split end Bill Happel. Pass interference was called, putting the Hawkeyes on Michigan State's

For the first two plays of the next series Spartan inside linebacker Shane

Bullough held running back Owen Gill for no gain, but on the third down Long, after being chased out of the pocket, threw a three-yard pass to tight end Jonathan Hayes for the touchdown.

AT THIS POINT the Hawkeyes had two options: either kick the point after and tie with the Spartans or attempt a two-point conversion for the win. Because another tie would be equivalent to a loss, Iowa opted for the latter to keep a strong hold on its Rose Bowl chances.

Another decision had to be made. In order to score the two points, Long could either hold onto the ball or pitch it to Gill. Holding onto the ball, Long was eventually declared short of the

"It hurts extremely bad when the of-

ficials wouldn't make the call," Iowa Coach Hayden Fry said. "All of our players that were in position to see the play say that Chuck was over and then he got pushed back.

"IT'S UNBELIEVABLE that not one of the officials was right there to make the call," he added. "And it's extremely unbelievalbe that they waited till after the pile-up. They were all looking for someone else to make the

Even Michigan State Coach George Perles said it was to close for him to call. "I was all the way on the other end, but from where I could see it, it could have gone either way."

There was no doubt in Spartan left end Kelly Quinn's mind, however, that Long was not over the goal line. "As a

defensive lineman I have to get on all fours and run him into the dirt," he said. "One of our men stuffed him good and that's a great feeling."

THE 17-16 WIN by Michigan State over the Hawkeyes marked the first time Iowa has been beaten by a Big Ten team at home since Michigan turned the trick, 29-7, in 1982. Spartan quarterback Dave Yarema, despite this fact, said the game was not an upset. "In our minds it was not an upset," he said. "But if we lost, it would have been an upset and that's the truth."

With Michigan State leading by 11 points at halftime, Perles attributed wa's mighty comeback to Long. "Long is a great quarterback," Perles said. "We tried to knock the ball loose, See Spartans, page 2B

IOWA COACH HAYDEN FRY said Saturday that the was "like a morgue" following the

"This was an extremely difficult game to lose," Fry said. "It was one of the greatest comebacks I've ever seen by a ballclub. It hurts when the offensive players in position say that Chuck crossed the goal line. It's hard to visualize why the officials didn't make a call ... It looked like all of them were waiting for someone to make the call.

"I don't mean to sound like sour grapes because we didn't play well enough to win," Fry said.

The Hawkeye coach refused to comment on the play Sunday, saying that thinking of it after watching the replay made him "sick."

Bright spots are few as Cyclones tie

AMES (UPI) - Continued strong defensive play and improved running marked the only bright spots in Iowa State's second disappointing tie of the season, Cyclone Coach Jim Criner said Sunday.
