Kareem Rises to Top With \$3-Million Salary

The Lakers' Kareem Abdul-Jabbar, who already owns a string of "mosts" in the NBA, has added another — salary. The 40-year-old center's two-year contract, which he agreed to Tuesday, will pay him more than \$5 million.

The contract calls for \$2 million next season and \$3 million in 1988-89, with the second-year salary the richest ever in team sports. Jim Rice of the Red Sox reportedly makes \$2.4 million a year, Dan Quisenberry of the Royals \$2.3 million, and George Brett of the Royals \$2.
