BETS 'N PIECES: Thornbird Hill (8th) has shown considerable ability against far superior; definitely ready. Armbr Gears (1st) is unbeaten in five starts this season; has to be an automatic selection till beaten. Hamilton White (3rd) draws a decent post for a change and is certainly sharp enough to capitalize on it. Tyche East (6th) gets in a lot cheaper after pacing a final half in 57 1/5 in her last; dangerous. Doctor Panto (10th) displayed faint signs of life in his first attempt at this level in his last; deserves one more chance. Happy Marla (11th) goes for her fifth straight win in as many starts this season and must be given a solid chance to handle slightly stronger.
