The state Board of Regents has approved a \$10,400 raise for Iowa football coach Hayden Fry, increasing his annual salary to \$113,800, more than double the amount he received when he took the job nearly 10 years ago.

Fry, 59, is under contract until June 30, 1995. He was paid \$45,000 in his first season - 1979-80. The Board also raised the salary of Iowa basketball coach Tom Davis by 11.5 percent, or \$9,500, bringing his salary in his third season to \$92,000.
