BETS 'N PIECES: Ripper Collins (11th) showed high speed at both ends of his mile easily winning his last over similar in 1:57 3/5; strictly no contest. Moody's (2nd) draws a good post for a change and should make his presence felt in the late stages. Armbr Gears (6th) looks good enough to handle stronger as he goes for his fifth win in as many starts this season. Windsor's Honor (9th) had a solid tightener in his first start over the track; will be lots sharper tonight. Port Captain (10th) just missed with a 56 4/5 final half in his last; primed for a winning effort.
